Check before you travel on Monday

London Northwestern Railway and West Midlands Railway are advising passengers to check before they travel [on Monday \(11 December\)](#). Both operators plan to run as full a service as possible. However further snow falls and freezing temperatures overnight may make road access to stations and depots difficult.

About Abellio

Abellio is the international passenger transport subsidiary of the Dutch national railway company, Nederlandse Spoorwegen. Every day our people provide rail, bus and tram services to 1.7m customers across the UK, Germany and in the Netherlands. In the UK we operate buses through Abellio London, as well as ScotRail and Greater Anglia train services, and Merseyrail in a joint venture with Serco. In Germany we operate Abellio Deutschland, serving communities in North Rhine Westfalia, Saxony, Lower Saxony, Saxony-Anhalt, Hesse and Thuringia. Our role in transport extends beyond the journey from a-to-b. With our international heritage and our policy of sharing best practice, not just amongst ourselves, but across the wider transport industry, we provide thought leadership and truly innovative ideas which make a positive contribution to the communities we serve. About JR East

East Japan Railway Company (JR East) was established in 1987, when Japanese National Railways was divided as part of a package of railway reforms. JR East's railway business covers a 7,500 km (approx. 4,660 miles) network in the eastern part of the Japanese main island, including Tokyo Metropolitan area, and provides transportation services, comprising urban, suburban and high speed operations, for 17 million passengers on a daily basis. JR East also undertakes non-transport commercial activities, which account for more than 30% of the total revenue of JR East Group. JR East contributes to passengers and communities it serves by delivering high degrees of punctuality, reliability and comfort and also continues to pursue higher levels of safety and service quality through technical innovation.
