## London Northwestern Railway passengers urged to check train times ahead of upcoming timetable change

London Northwestern Railway passengers are being urged to check their train times as many timetables change this weekend.

From Sunday 18 May, new departure times will apply on many routes across the region as the twice-yearly rail industry timetable change comes into effect.

Among the changes from Sunday 18 May are:

- Marston Vale Line services towards Bedford will depart Bletchley at XX:52 for most departures
- Milton Keynes – London Euston evening peak services will depart at XX:28, Monday to Friday

Jonny Wiseman, customer experience director at London Northwestern Railway, said: “While we are not making any major changes to our timetable this May, I encourage passengers to check their train times before travelling next week.

“As these amendments are part of a nationwide timetable change, there may be more significant changes on routes run by other operators, so it’s always worth checking ahead.”
